No agreement was reached on the Vision statement and a decision was deferred to the next meeting.

Members agreed to concentrate on producing a list of strategic routes in and through the town. These are routes for all types of transport from pedestrian to coaches.

This list will be used to help produce a summary of critical views or vistas, which may need specific protection.

The list of strategic routes to be discussed and prioritised at the next meeting in early July. Members will then organise a workforce (preferably in pairs) to review the routes.
