

Balmoral Gardens

There are 2 possible locations for taps in Balmoral Gardens. The unit would at at cost to the Town Council.

1st location is in the top corner next to Albion street.

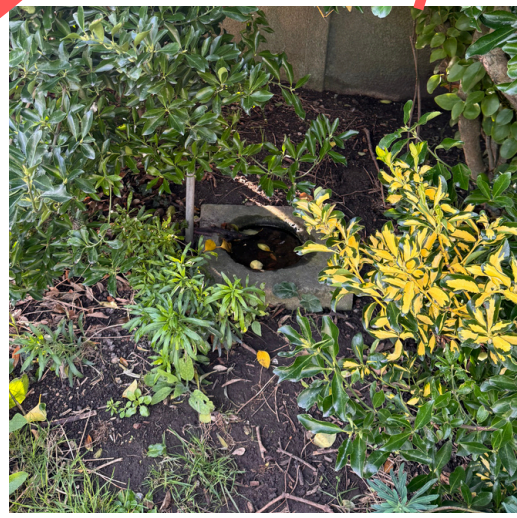

2nd location is in the back corner currently in the bushes next to the prom.

Bottle filling unit- at cost of Town Council

Outdoor tubular drinking fountains and bottle filling stations are ideal for outdoor applications including educational campuses, recreational areas, office complex grounds, golf courses and parks.

Victoria Gardens

Another possible location for a water tap on the prom could be within the bench area opposite the Victorian shelters.

Bottle filling unit- at cost of Town Council

Pierremont Hall, Music Room

We are also interested in 2 possible locations on our own land. we have looked at several options of refill units to be installed outside of the Music Room building. Install would depend on planning requirements. The Town Council would pay for this unit, water usage and servicing etc.

316 STAINLESS STEEL
